

# BENEFIT FOR JEFF HEATH

**SATURDAY, FEBRUARY 6TH NOON TO 5 PM  
WESTSIDE LOUNGE  
325 EDGEWOOD ROAD NW**

Please join us for a silent auction, raffle prizes & a day of family, friends & laughter. Jeff's hospitalization & recovery with future treatment & rehabilitation will be a long, tough road. Help us to celebrate how far he's come & support his future efforts.

## JEFF'S JOURNEY

Jeff is recovering from a hiatal hernia which tore apart and landed him in intensive care, on a ventilator and fighting the infection along with pneumonia. His kidneys stopped working and he has been on dialysis since Jan. 6th. The doctors had him in a paralytic state so his body can rest and recover.

Although Jeff seems to be on the road to recovery, the road is still long and he is beginning Physical and Occupational Therapy.

We invite each and everyone of you to join us at Jeff's Benefit. We are planning a silent auction, raffles and more importantly; support for Jeff's family and his recovery. We hope you can attend.

If you would like to donate something for the auction or raffle please contact us at:  
jmfheath!@gmail.com  
or drop your donation off at the Westside Lounge
